GRANGER STATEMENT ON SUPPORTING MCHENRY FOR WHIP

WASHINGTON, DC –Congresswoman Kay Granger (TX-12) released the following statement in support of Congressman Patrick McHenry (NC-10) for Majority Whip.

"Today, I am pleased to announce my support of Congressman Patrick McHenry for Majority Whip. As a former Deputy Whip myself, I fully understand the unique nature of the Whip position and the necessary qualities needed to be effective in it.

“Congressman McHenry’s record is as conservative as any person in the race for Whip. Having served on the Whip Team since being elected to Congress, and most recently as Chief Deputy Whip, Congressman McHenry clearly understands the job. Without a doubt, he has the right qualities to be effective in delivering conservative solutions that will help American families at home and protect America’s interests abroad.”
